

ACCESO International - 2016 Donor Report

Promoting and enabling greater access to all levels of education in Latin America, Caribbean and Canada.

ACCESO International

For **20 years**, ACCESO has worked with organizations in **12 countries** to provide financial support to those who yearn for an education but do not have the means to access it.

Effective with every dollar

100% of all donations are used to provide greater access to education for thousands of marginalized children, youth and women, setting them on the path to empowerment, self-sufficiency and dignity.

Some of the ACCESO projects your donations will support next year:

- Repairing schools in Haiti after Hurricane Matthew;
- Providing bursaries for Dominican, Honduran and Peruvian youth & women;
- Replenishing educational material for Guatemalan preschools;
- Delivering health education courses in Haiti, Honduras and Peru; and
- Giving back-to-school supplies for low-income refugee and immigrant children in Ottawa.

Your HELP is very meaningful!

This fall we're asking you to renew your support by donating to our annual campaign. Your donation remains our most valued support and it means a great deal to the beneficiaries. They have expressed their gratitude in countless letters, emails and in person.

"Thank you for all that you have done for me. My studies are progressing well. I am involving myself in all that I can, visiting television and radio programs, volunteering and acquiring as much knowledge as possible. I am putting in a maximum effort to reach my goal of helping my family move forward."
